GOD SAVE THE KING.

No. 1936-I.A.—The following gracious message from His Majesty the King-Emperor to the Princes and peoples of the Indian Empire is published for general information :—

During the past few weeks the peoples of my whole Empire at home and overseas have moved with one mind and purpose to confront and overthrow an unparalleled assault upon the continuity, civilization and peace of mankind. The calamitous conflict is not of my seeking. My voice has been cast throughout on the side of peace. My Ministers earnestly strove to allay the causes of strife and to appease differences with which my Empire was not concerned. Had I stood aside when, in defiance of pledges to which my Kingdom was a party, the soil of Belgium was violated and her cities laid desolate, when the very life of the French nation was threatened with extinction, I should have sacrificed my honour and given to destruction the liberties of my Empire and of mankind. I rejoice that every part of the Empire is with me in this decision. Paramount regard for treaty faith and pledged word of Rulers and peoples is the common heritage of England and India. Amongst the many incidents that have marked the unanimous uprising of the populations of my Empire in defence of its unity and integrity, nothing has moved me more than the passionate devotion to my Throne expressed both by my Indian subjects and by Feudatory Princes and Ruling Chiefs of India and their prodigal offers of their lives and their resources in the cause of the realm. Their one-voiced demand to be foremost in conflict has touched my heart and has inspired to highest issues the love and devotion which, as I well know, have ever linked my Indian subjects and myself. I recall to mind India's gracious message to the British nation of good will and fellowship which greeted my return in February 1912 after the solemn ceremony of my Coronation Durbar at Delhi, and I find in this hour of trial a full harvest and a noble fulfilment of the assurance given by you that the destinies of Great Britain and India are indissolubly linked.

No. 123.—The following extract from the Proceedings of Government, No. 1029, Educational, dated 1st September 1914, is published for general information :—

With the object of providing facilities for technical education in this Presidency, the Government have already sanctioned the reorganization of the Government Technical Institute at Madura, decided to establish a Mechanical Engineering school at Cocanada, and are contemplating the opening of a technical school in North Madras. Some time must elapse before these institutions start regular work. Pending the establishment and development of these institutions, the Government have, as an *interim* measure, decided to provide facilities for students of the Presidency to undergo technical training in some of the existing and well established institutes in other parts of India. With that object, the Government propose to award annually six scholarships, of the value of Rs. 30 each per mensem, tenable by the natives of this Presidency, at the Victoria Jubilee Technical Institute, Bombay, for a period of four years, for the study either of Mechanical Engineering, Electrical Engineering, Textile manufactures or Technical Chemistry. Candidates desirous of applying for these scholarships in the current year should submit their applications to the Director of Industries, Madras, so as to reach him on or before the 15th October 1914. Each application should be in the candidate's own handwriting and in the form appended to these proceedings.

2. Candidates should be either graduates in Arts or have passed the Intermediate examination of the Madras University. Candidates will be required to produce satisfactory evidence of the consent of father or guardian to proceed to Bombay, of good character and of physical fitness to undergo the course of life and study that will have to be followed. The applications should show clearly age, nationality and general educational attainments.

3. The holders of the scholarships will not be bound by any engagement to serve Government on the completion of their course, nor will the Government be bound to employ them. Each holder will, however, be required to find two sureties to execute an agreement in the form, which will hereafter be settled by the Director of Industries in consultation with the Government Solicitor, providing for the refund to the Government of the amount of the scholarship, should he fail to obtain the diploma granted at the end of the course.

4. The scholarships will be disbursed through the Principal of the Bombay Institute. In case the Principal reports adversely about any scholarship-holder, the scholarship will be stopped.

5 An extract of paragraphs 4 to 24 of the Calendar of the Victoria Jubilee Technical Institute, Bombay, for 1914 is appended for the information of the intending applicants.

THE MADRAS VETERINARY COLLEGE PROSPECTUS.

As there appears reason to believe that intending candidates for employment in Government service are in many cases not aware of the existence of the Madras Veterinary College and of the prospects offered by a veterinary career, the following prospectus of the college is published for general information. The rules of the college and the scale of the provincial and the subordinate veterinary service are liable to be altered if need requires at any time.

1. The staff of the college consists of a Principal, an Assistant Principal, three lecturers and a subordinate establishment. The responsibility for the discipline and management of the college is vested in the Principal who is subject to the control of Board of Revenue. Full clinical and other facilities are afforded to meet the education requirements of students preparing for the diploma in Veterinary Science. A veterinary hospital, museum, library, shoeing forge and students' hostel are attached to the college.

2. Candidates are eligible for admission without distinction of caste or nationality. They must not be under 18 years of age at the commencement of the term for which admission to the college is desired. In ordinary circumstances, no person over 22 years of age will be admitted as a free student. Students are admitted to the college by selection which will be made by the Principal. GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

Bills introduced in the Council of the Governor General of India for making Laws and Regulations, Reports of Select Committees presented to the Council, and Bills published under Rule 23.

The following Bill was introduced in the Council of the Governor General of India for the purpose of making Laws and Regulations on the 8th September 1914:—

No. 4 of 1914.

A Bill further to amend the Sea Customs Act, 1878.

VIII of 1878. WHEREAS it is expedient further to amend the Sea Customs Act, 1878; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Sea Customs (Amendment) Act, 1914.

VIII of 1878. Amendment of section 19, Act VIII, 1878. 2. In section 19 of the Sea Customs Act, 1878 (hereinafter called the said Act), for the words "or any specified part of British India," the following shall be substituted, namely, "or any specified part thereof, either generally or from or to any specified country, region, port or place beyond the limits of British India."

Amendment of section 38, Act VIII, 1878. 3. To section 38 of the said Act the following proviso shall be added, namely:

"Provided that where the shipment of any goods is permitted without a shipping bill, or in anticipation of the delivery of a shipping bill, the rate of duty and tariff valuation, if any, applicable shall be the rate and valuation in force at the time when shipment of the goods commences."

Amendment of section 49, Act VIII, 1878.

4. In clause (*b*) of section 49 of the said Act after the word "goods" the words "or any specified goods or class of goods" shall be inserted; and the words "in India" are repealed.

Amendment of section 137, Act VIII, 1878.

5. (*1*) In section 137 of the said Act the following words are repealed, namely :—

"Unless the Chief Customs officer shall, in the case of any customs-port or wharf, or of any class of goods, otherwise direct by notification in the local official Gazette"

(*2*) To the same section the following proviso shall be added, namely :—

"Provided that the Chief Customs-officer may, in the case of any customs-port or wharf, by notification in the local official Gazette, and subject to such restrictions and conditions, if any, as he thinks fit exempt goods or any specified goods or class of goods or any specified person or class of persons, from all or any of the provisions of this section."

Amendment of section 155, Act VIII, 1878.

6. In section 155 of the said Act, for the first paragraph shall be substituted the following, namely :—

"Where by any law for the time being in force, a special duty is imposed on denatured spirit, the Local Government may make rules for ascertaining and determining what spirit imported into British India shall be deemed to be denatured spirit for the purposes of such law, and for causing such spirit to be denatured, if necessary, by its own officers at the expense of the person importing the same, before the customs duties leviable thereon are levied."

STATEMENT OF OBJECTS AND REASONS.

IN April 1913, it was represented to the Government of India that it would be desirable on administrative grounds to amend section 137 of the Sea Customs Act, 1878, so as to permit the adoption of a more convenient procedure for the shipment of goods. Under that section a shipping bill must ordinarily be presented to and passed by the Customs Collector, and all duties leviable must be paid before goods can be shipped. As this procedure frequently causes delay and inconvenience to shippers, it has been decided to empower the Chief Customs Officer to permit the shipment of goods in such cases, and subject to such conditions, as he considers desirable, in anticipation of the delivery of the bill and the payment of any customs duty and other charges that may be due. The adoption of this procedure involves the amendment of section 38 of the Act which prescribes the rate of duty or tariff valuation that shall apply in cases in which the rate or valuation is altered prior to shipment. It is proposed to enact in that section that in the case of goods allowed to be shipped without a shipping bill, or in anticipation of the delivery of a shipping bill, the rate of duty and valuation shall be the rate and valuation in force when the goods are shipped.

2. Section 18 of the Act empowers the Governor General in Council to prohibit the importation or exportation of goods of a specified description from or to all countries, but it does not authorise the Government of India to prohibit or restrict the importation or exportation of goods of a specified description from or to one country and no other. The limited scope of the section has been found in practice to cause inconvenience. It is therefore proposed to amend it so as to authorise the Government of India to prohibit the importation or exportation of any specified description of goods either generally or from or to any country, region, port or place beyond the limits of British India.

3. Similarly, under section 49 (*b*) of the Act, the payment of drawback may be prohibited only in the case of all goods exported to a specified foreign port in India; the power cannot be exercised in respect of any particular class of goods. It is proposed to take power to prohibit the payment of drawback on any specified goods or class of goods exported to any specified foreign port whether in India or not.

4. It is also proposed to make formal amendments to the first paragraph of section 155 of the Act which confers on Local Governments the power to make rules for the denaturation of imported spirits. As the section stands at present, it provides for the treatment of spirit with a view to render it effectually and permanently unfit for human consumption. As, however, no denaturing agent is known the effects of which it would not be possible partly or wholly to remove by skilled treatment, it is proposed to refer in the section to 'denatured spirit' only without prescribing that such spirit shall have been effectually and permanently denatured.

The following Bill was introduced in the Council of the Governor General of India for the purpose of making Laws and Regulations on the 8th September 1914.—

No. 5 of 1914.

A Bill to amend the Indian Life Assurance Companies Act, 1912.

WHEREAS it is expedient to amend the Indian Life Assurance Companies Act, 1912; It is hereby enacted as follows :—

Short title. 1. This Act may be called the Indian Life Assurance Companies (Amendment) Act, 1914.

Amendment of section 4 (1) and Third Schedule, Act VI, 1912. 2. In section 4 (*1*) of the Indian Life Assurance Companies Act, 1912, and in the forms of Balance Sheet (A) and (B) set forth in the Third Schedule to the Act, for the words "Comptroller General" the words "Controller of Currency" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

UNDER section 4 (*1*) of the Indian Life Assurance Companies Act, 1912 (VI of 1912), the Comptroller General has the custody of Government Securities deposited by Life Assurance Companies. It has been decided that the Controller of Currency shall perform all work in connection with Government Securities, previously entrusted to the Comptroller General, and it is necessary, therefore, to substitute the words "Controller of Currency" for the words "Comptroller General" in this section and in the forms of Balance Sheet (A) and (B) set forth in the Third Schedule.

2. The object of the Bill is to make the necessary change.

The following Bill was introduced in the Council of the Governor General of India for the purpose of making Laws and Regulations on the 8th September 1914 :—

No. 6 of 1914.

A Bill further to amend the Indian Telegraph Act, 1885, and the Indian Post Office Act, 1898.

WHEREAS in view of the amalgamation of the offices of Director-General of Telegraphs and of Director-General of the Post Office of India, it is expedient further to amend the Indian Telegraph Act, 1885, and the Indian Post Office Act, 1898 ; It is hereby enacted as follows :—

XIII of 1885. VI of 1898

Short title. 1. This Act may be called the Indian Post Office and Telegraph (Amendment) Act, 1914.

XIII of 1885 Amendment of sections 3 and 29 A of Act XIII of 1885. 2. In clause (*b*) of section 3 and in section 29A of the Indian Telegraph Act 1885, for the word "Telegraphs", wherever it occurs, the words "Posts and Telegraphs" shall be substituted.

VI of 1898. Amendment of section 2 of Act VI of 1898. 3. In section 2 of the Indian Post Office Act, 1898,—

(*i*) in clause (*a*), for the words "the Post Office of India" the words "Posts and Telegraphs" shall be substituted ; and

(*ii*) in clause (*k*), after the word "department", the words "established for the purpose of carrying the provisions of this Act into effect and" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

In section 3 (*b*) of the Indian Telegraph Act, 1885 (XIII of 1885), the words "telegraph authority" are defined as meaning the Director-General of Telegraphs, and in section 2 (*a*) of the Indian Post Office Act, 1898 (VI of 1898), the expression "Director-General" means the Director-General of the Post Office of India. With effect from the 1st April 1914, the Postal and Telegraph Services in India have been amalgamated and placed under one head, who is designated the Director-General of Posts and Telegraphs, and the separate appointments of Director-General of Telegraphs and Director-General of the Post Office of India have ceased to exist. The Bill accordingly provides for the modification of the definitions of "telegraph authority" and "Director-General" so as at present given in the Acts, so as to indicate that both the expressions apply to the head of the combined services. For the same reason it is necessary to alter the title "Director General of Telegraphs", wherever it occurs in section 29 A of the Indian Telegraph Act of 1885, as amended by the Indian Telegraph (Amendment) Act, 1914, and this has been provided for in the Bill

The fact that the Post Office and the Telegraph Department are now under the administrative control of a single officer has also necessitated the amplification of the definition of the expression "the Post Office" given in section 2 (*k*) of the Indian Post Office Act, 1898 ; and clause 3 (*a*) of the Bill provides for this.

The following Bill was introduced in the Council of the Governor General of India for the purpose of making Laws and Regulations on the 9th September, 1914 ;—

No. 7 OF 1914.

A Bill to amend the Indian Army Act, 1911.

VIII of 1911. WHEREAS it is expedient to amend the Indian Army Act, 1911 ; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Indian Army (Amendment) Act, 1914.

VIII of 1911. Substitution of new section 114, Act VIII of 1911. 2. For section 114 of the Indian Army Act, 1911, the following section shall be substituted, namely :—

Property of deceased persons and deserters. "114. The following rules are enacted respecting the disposal of the property of every person subject to this Act who dies or deserts :—

(*1*) The commanding officer of the corps, detachment or department to which the deceased person or deserter belonged shall secure all the moveable property belonging to the deceased or deserter that is in camp or quarters, and cause an inventory thereof to be made, and draw any pay and allowances due to such person.

(*2*) In the case of a deceased person who has left in a Government savings bank (including any post office savings bank, however named) a deposit not exceeding one thousand rupees, the commanding officer may, if he thinks fit, require the secretary or other proper officer of the bank to pay the deposit to him forthwith, notwithstanding anything in any departmental rules; and, after the payment thereof in accordance with such requisition no person shall have any right in respect of the deposit except as hereinafter provided.

(*3*) In the case of a deceased person whose representative is on the spot and has given security for the payment of the regimental or other debts in camp or quarters (if any) of the deceased, the commanding officer shall deliver over any property received under clauses (*1*) and (*2*) to that representative.

(*4*) In the case of a deceased person whose estate is not dealt with under clause (*3*), and in the case of any deserter, the commanding officer shall cause the moveable property to be sold by public auction, and shall pay the regimental and other debts in camp or quarters (if any), and, in the case of a deceased person, the expenses of his funeral ceremonies, from the proceeds of the sale and from any pay and allowances drawn under clause (*1*) and from the amount of the deposit (if any) received under clause (*2*).

(*5*) The surplus, if any, shall, in the case of a deceased person, be paid to his representative (if any), or in the event of no claim to such surplus being established within twelve months after the death, then the same shall be remitted to the prescribed person.

(*6*) In the case of a deserter, the surplus (if any), shall be forthwith remitted to the prescribed person and shall, on the expiry of three years from the date of his desertion, be forfeited to His Majesty, unless the deserter shall in the meantime have surrendered or been apprehended.

Meaning of desertion. *Explanation.*—A person shall be deemed to be a deserter within the meaning of this section who has without authority been absent from duty for a period of sixty days and has not subsequently surrendered or been apprehended."

STATEMENT OF OBJECTS AND REASONS

WHEN the Indian Army Bill was drafted, Articles 176 and 178 of the Indian Articles of War were transferred bodily to it as clause 124 with a few verbal alterations only and were passed into law.

The provisions of section 114 of the Indian Army Act have been found to be defective, in that, while providing for the drawing by the Commanding Officer of any pay and allowances due to a deceased person or deserter, they do not fully and specifically provide for the disposal of the sum so drawn.

The present draft remedies the defect and further provides, on the lines of the English law on the subject, for the forfeiture to His Majesty of the balance of a deserter's effects on the expiration of three years from the date of desertion unless the man has in the meantime surrendered or been apprehended.

No special provisions is required for the disposal of the effects of a man who is convicted of desertion, for, if on conviction he is removed from the service his estate is settled up like that of any other man who is discharged; while, if he is retained in the service, his estate does not need to be settled up at all. The opportunity is therefore taken to amend the "Explanation" to section 114 accordingly.

The following Bill was introduced in the Council of the Governor General of India for the purpose of making Laws and Regulations on the 5th September 1914:—

No. 8 of 1914.

A Bill to amend the Indian Airships Act, 1911.

XVII of 1911. WHEREAS it is expedient to amend the Indian Airships Act, 1911; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Indian Aircraft (Amendment) Act, 1914.

XVII of 1911. Substitution of the word "aircraft" for the words "airship" and "airships" in Act XVII, 1911. 2. In the Indian Airships Act, 1911 (hereinafter called the said Act), for the words "airship" and "airships", wherever they occur, there shall be substituted the word "aircraft".

Amendment of section 7, Act XVII, 1911. 3. For section 7 of the said Act, the following sections shall be substituted, namely:—

Prohibition and regulation of navigation of aircraft. "7. (*1*) The Governor General in Council may, by notification in the *Gazette of India*, prohibit or regulate the navigation of aircraft over, or the entry of aircraft by flight into, British India or any part thereof, including the territorial waters adjacent thereto.

(*2*) Subject to the control of the Governor General in Council the Local Government of a province may, by notification in the local official Gazette, exercise in respect of the province the like powers of prohibiting or regulating navigation as are conferred by sub-section (*1*) on the Governor General in Council.

(*3*) Any notification issued under sub-section (*1*) or (*2*) may apply either to all aircraft or to any specified class or description of aircraft, and may prohibit navigation or entry at aforesaid, as the case may be, either at all times or at specified times or on specified occasions, and either absolutely or subject to specified exceptions or conditions, and such conditions may, without prejudice to the generality of the foregoing provision, require any aircraft—

(*a*) to display specified signals or marks,

(*b*) to comply with specified signals in a specified manner,

(*c*) to land within a specified area or at a specified place, and

(*d*) in the case of aircraft entering British India by flight, also to enter at a specified place.

Compliance with signals. "7A. (*1*) Whenever an aircraft contravenes the conditions of a notification issued under section 7 requiring it to comply with specified signals in a specified manner, any person appointed in this behalf by the Governor General in Council may fire at or into such aircraft, and use any and every other means necessary to compel compliance.

(*2*) The Governor General in Council may delegate to any authority the power of making appointments under sub-section (*1*)."

Amendment of section 8 (*5*), Act XVII, 1911. 4. For clause 5 of section 8 of the said Act, the following clause shall be substituted, namely:—

"(*5*) a notification issued under section 7 does or abstains from doing any act, unless, in the case of contravening a condition relating to navigation or landing, he proves that he was compelled thereto by stress of weather or other circumstances over which he had no control."

STATEMENT OF OBJECTS AND REASONS.

The Bill proposes to amend the Indian Airships Act, 1911 (XVII of 1911), so as to bring it into conformity with certain provisions of the English Aerial Navigation Act, 1913. The Indian Airships Act, 1911, which confers certain powers for ensuring the safety of the realm, aims mainly at controlling the use of airships once they have been imported in the first place as freight. It contains no direct provisions regulating the entry of aircraft into British India by flight over-land or over-sea, since the possibility of such flights was not contemplated when it was passed. In view, however, of the rapid developments of the science of flying, it is now considered necessary, on military grounds, to take power to prohibit the passage by flight of any aircraft into this country, except subject to conditions to be imposed by the Governor General in Council, which may cover directions to enter or land at a particular point, and to observe and display specified signals or marks. The Bill follows generally the lines of sections 1 and 2 of the English Aerial Navigation Act, 1913. The opportunity has also been taken to substitute the term "aircraft" for "airship".

WHEREAS it is expedient that certain formal amendments should be made in the enactments specified in the First Schedule;

It is hereby enacted as follows:—

and this Act shall not affect the validity, invalidity, effect or consequences of anything already done or suffered, or any right, title, obligation or liability already acquired, accrued, or incurred, or any remedy or proceeding in respect thereof, or any release or discharge of or from any debt, penalty, obligation, liability, claim or demand, or any indemnity already granted, or the proof of any past act or thing;

nor shall this Act affect any principle or rule of law, or established jurisdiction, form or course of pleading, practice or procedure, or existing usage, custom, privilege, restriction, exemption, office or appointment, notwithstanding that the same respectively may have been in any manner affirmed, recognized or derived by, in or from any enactment hereby repealed;

nor shall the repeal by this Act of any enactment revive or restore any jurisdiction, office, custom, liability, right, title, privilege, restriction, exemption, usage, practice, procedure or other matter or thing not now existing or in force.

THE FIRST SCHEDULE.

AMENDMENTS.

(See section 2.)

Year.	No.	Short title.	Amendments.	Explanations.
1870	VII	The Court Fees Act, 1870.	In Schedule II, Article 9, for the words "Bail bond or other instrument of obligation given in pursuance of an order made by a Court or Magistrate under any section of the Code of Criminal Procedure, 1882, or the Code of Civil Procedure", the following shall be substituted, namely:— "Bail bond or other instrument of obligation given in pursuance of an order made by a Court or Magistrate under any section of the Code of Criminal Procedure, 1898, or the Code of Civil Procedure, 1908, and not otherwise provided for by this Act."	Certain bail bonds are exempted from payment of fee by section 19, clause xv. The amendment is purely formal.
1893	III	The Government Tenants (Punjab) Act, 1893.	1. In the title and preamble, for the word "Punjab" the words "North-West Frontier Province" shall be substituted. 2. For section 1, the following section shall be substituted:— "1 (1) This Act may be called the Government Tenants (North-West Frontier Province) Act, 1893. Short title and extent. (2) It extends to the territories for the time being administered by the Chief Commissioner of the North-West Frontier Province."	The Act has been repealed in the Punjab by Punjab Act V of 1912. Sub-section (2) of section 1 provides for the commencement of the Act and is omitted as unnecessary.
1896	VIII	The Indian Tariff Act, 1894.	In Schedule III, for the words "Spirit which has been rendered effectually and permanently unfit for human consumption" the words "Denatured spirit" shall be substituted.	Consequential on the amendment of section 156 of the Sea Customs Act, 1878, which it is proposed to make by the Sea Customs (Amendment) Bill.
1897	X	The General Clauses Act, 1897.	1. In section 3, after clause 8 (a), the following shall be inserted, namely:— "8 (b) 'Central Provinces Act' shall mean an Act made by the Chief Commissioner of the Central Provinces in Council under the Indian Councils Acts, 1861 to 1909."	A Legislative Council has been constituted for the Central Provinces.

Year.	No.	Short title.	Amendments.	Explanations.
1897	X	The General Clauses Act, 1897—*contd.*	2. To section 3a, the following shall be added, namely :— "and when any Act of the Governor General in Council or Regulation, which, by a notification under section 3 or 6-A, of the XIV of 1874. Scheduled Districts Act, 1874, or any like law, has been extended to any local area, has, by a subsequent notification, been withdrawn from and re-extended to such area or any part thereof, the provisions of such Act or Regulation shall be deemed to have been repealed and re-enacted in such area or part within the meaning of this section."	The principle on which the section is based includes such cases.
			3. After section 20, the following section shall be added, namely :— "20. In this Act the expression "Act of the Governor General in Council," wherever it occurs, except in section 4, and the word 'Act' Application of Act to ordinances. in clauses (9), (12), (36) (48) and (50) of section 3 and in section 25 shall be deemed to include an Ordinance made and promulgated by the Governor General under section 23 of the 24 & 25 Vict., c. 67 Indian Councils Act, 1861."	It is desirable that the General Clauses Act should apply to Ordinances.
1908	V	The Code of Civil Procedure, 1908.	In the first Schedule, Order V, for clause (5) of rule 28, the following shall be substituted :— "(c) the Governor General in Council has, by notification in the *Gazette of India*, declared in respect of any Court situate in any such territory and not established or continued in the exercise of any such jurisdiction as aforesaid, that service by such Court of any summons issued by a Court under this Code shall be deemed to be valid service."	It has been pointed out that the clause as worded may lead to the inference that the Governor General in Council may, under this section, issue a declaration authorizing a Native State Court to serve summonses issued under the Code. The amendment is purely verbal.
1911	II	The Indian Patents and Designs Act, 1911.	In sub-section (5) of section 18, after the word "conditions" the words "and restrictions" shall be inserted.	Some difficulty has recently been felt as to the power of the Controller to insert provisions for the protection of persons who may have availed themselves of the subject matter of the patent after it had ceased.
1914	IV	The Decentralization Act, 1914.	In Part I of the Schedule, in No 1 of the amendments made in Act XX of 1883, for the word "Commissioner" the words "the Commissioner" shall be substituted	To correct a verbal error.

Those proposals are formulated in the Bill.

The opportunity has been taken to include in the Bill certain formal amendments and repeals in some Acts of the Governor General in Council of general application.

The reasons for the proposed amendments and repeals are sufficiently explained in the fifth column of the schedules annexed to the Bill.

The following Bill was introduced in the Council of the Governor-General of India for the purpose of making Laws and Regulations on the 8th September, 1914 :—

No. 10 of 1914.

A Bill to amend the Foreigners Act, 1864.

III of 1864. WHEREAS it is expedient to amend the Foreigners Act, 1864; It is hereby enacted as follows :—

Short title. 1. This Act may be called the Foreigners (Amendment) Act, 1914.

III of 1864. Insertion of new section 3A, Act III, 1864. 2. After section 3 of the Foreigners Act, 1864, the following section shall be inserted, namely:—

Foreigner may be apprehended and detained pending order of removal

"3A (*1*) Whenever in a Presidency town or in the town of Rangoon the Commissioner of Police, or elsewhere the Magistrate of the District considers that the Local Government should be moved to make an order under section 3 in respect of any foreigner within the limits of his jurisdiction, he may report the case to the Local Government, and at the same time issue a warrant for the apprehension of such foreigner.

(*2*) Any officer issuing a warrant under sub-section (*1*) may, in his discretion, direct by endorsement on the warrant that if such foreigner executes a bond with or without sureties for his attendance at a specified place and time, the officer to whom the warrant is directed shall take such security and release such foreigner from custody.

(*3*) An officer executing a warrant under sub-section (*1*) may search for and apprehend the foreigner named in such warrant; and, subject to any direction issued under sub-section (*2*), shall forthwith cause such foreigner when apprehended to be produced before the officer issuing the warrant.

(*4*) When a foreigner apprehended in pursuance of a warrant issued under sub-section (*1*) is produced or appears before the officer issuing such warrant, such officer may direct him to be detained in custody pending the orders of the Local Government, or may release him on his executing a bond with or without sureties to appear at a specified place and time and thereafter until the orders of the Local Government are obtained.

(*5*) Whenever a foreigner is apprehended under this section the officer issuing the warrant shall forthwith report the case to the Local Government, and on receipt of the orders of the Local Government, shall cause such foreigner to be discharged or otherwise dealt with in accordance with such orders."

STATEMENT OF OBJECTS AND REASONS.

THE Bill is intended to remedy a defect in the machinery of the Foreigners Act. Preliminary action towards obtaining an order of removal from Government is necessarily taken by local officers. Under the Act as it stands, however, there is no provision by which a foreigner can be placed under restraint during the interval which must elapse before the order of removal can be obtained, and the provisions of the Act may thus be evaded.
